Your name: Aaron Rich

Title of the project: _____

Date: 02/25/2022

Instructions

Use this form to evaluate the other members of your group. Write the name of each group member other than yourself in one of the columns, then assign a score of 0 to 10 (0 being the lowest grade, 10 the highest) to each group member for each criterion. Then total the scores for each member. Because each group member has different strengths and weaknesses, the scores you assign will differ. On the back of this sheet, write any comments you wish to make.
